

CornerHouse®

Interagency Child Abuse Evaluation and Training Center

## About Us

### ***Vision***

Children grow up free from abuse

### ***Mission***

Ensure that the voices of children are heard and understood in cases of alleged abuse

### ***Child First Philosophy***

The child is our first priority.  
Not the needs of the family.  
Not the child's "story".  
Not the evidence.  
Not the need of the courts.  
Not the needs of police, child protection, or attorneys.  
The child is our first priority.

## February's Basic Forensic Interview Training:

### SOLD OUT!

Hurry and register for our April Training before it sells out, too!

Participants in a 2013 CornerHouse Basic Forensic Interview Training

[Like us on Facebook](#)

CornerHouse's Basic Forensic Interview Training is a five-day training course designed for teams of law enforcement and child protection investigators, prosecutors, and forensic interviewers. Participants learn the CornerHouse Forensic Interview Protocol™: a credible, reliable, developmentally flexible, and non-traumatic interview protocol appropriate for children, adolescents and vulnerable adults who may have experienced sexual abuse.

## **CornerHouse Article Published in APSAC Advisor**

CornerHouse's Associate Director, Jennifer N. Anderson, MSW, LISW, recently published "The CornerHouse Forensic Interview Protocol: An Evolution in Practice for Almost 25 Years" in the APSAC Advisor. The article highlights recent updates to The CornerHouse Forensic Interview Protocol™ including more emphasis on narrative practice techniques, interview instructions, and non-leading approaches to the topic of concern. [Click here to read the article.](#)

## **New in 2014: Advanced Training on CornerHouse Protocol Updates**

### **Limited Time Offer: 2014 Only!**

For experienced forensic interviewers who seek to remain current in their practice, Advanced Forensic Interview Training at CornerHouse provides an intensive educational experience with a focus on integrating recent updates to The CornerHouse Forensic Interview Protocol™ into your practice. Through small group peer review and the completion of an advanced actor role play, you will leave feeling up-to-date on current best practices in forensic interviewing. [Click here to learn more and view the course agenda.](#)

## **Visit CornerHouse at the International Conference on Child and Family Maltreatment in San Diego January 28-31**

CornerHouse will be at the 28th Annual San Diego International Conference on Child and Family Maltreatment January 28-31, 2014. Miriam Maples will speak on Thursday, January 30th about the CornerHouse Forensic Interview Protocol and again on Friday, January 31st about strategies for forensic interviews with adolescents. Attend these sessions and visit us at booth 28 in the exhibit hall. [Click here for more information about the conference.](#)

## **CornerHouse Celebrates its 25th Anniversary!**

CornerHouse was founded in 1989, making this our 25th year! To date, we have served over 11,000 youth and trained over 29,000 professionals worldwide. Thank you for your support and dedication to ensuring that the voices of children and adolescents are heard!
