## Leadership Message

Happy Spring!! For those of us in Minnesota, we are all very tired of the winter and ready for the unfolding of fresh spring beauty which is so unique to our climate. At CornerHouse, we'll be participating in changes and shifts in a wide variety of ways: On April 2, we will be hosting an open house in celebration of Child Abuse Prevention Month. We'll be planting our "garden" of pinwheels to remind us that it is the responsibility of the entire community to protect children and as long as there is one single child who is hurt or abused, our work is not done! We are also launching the Blue Kids (watch for them all over town!) as silent witnesses to the abuse which still occurs. I hope that you can join us in this effort.

Organizationally, we are on the proverbial "roll" as it relates to change and unfolding: we are eagerly beginning to implement the CornerHouse Strategic Plan completed in January. I'll be reporting to you on progress as we move forward. The CornerHouse Protocol has been updated and training curriculum has been revised.

Pinwheels for our garden and Blue Kids for yours or your business will be available throughout the [month of April](#). Watch for the Blue Kids on our FaceBook page as well!

As Charles Darwin said: *"It is not the strongest of the species that survive, nor the most intelligent, but the one most responsive to change"*.

All the best in new beginnings to you!

Sincerely,

Patricia Harmon  
Executive Director

## From the Back of the House

There are many people who work diligently in the background to serve the children and teens that come to CornerHouse to be helped, supported, and heard. This series will keep you posted on the transitions in the "back of the house" as they occur:

### Staff:

We had a staff member leave us:

- Nancy Van Thorre's last day was March 27th. She is now concentrating on her photography career. Check out her [website](#).

And we have a new staff member joining our team:

- Abbie Bolkcom-Smith will be joining CornerHouse on April 15 as our Family Services Coordinator.

### Volunteers:

We were sorry to see some of our Volunteers move on to other commitments: **Sue, Brianna, Raven, Claire, April, Lisa & Dennis.**

We've been fortunate however to add more members to our Forensic Services volunteer team and fundraising committees! Please help us welcome: **Anna, Ashlee, Jared, Tim, Melissa & Barbara.**

## CornerHouse says, "Konichiwa" to Japan

*Jennifer Anderson, Associate Director*

On January 12th and 13th of 2013, child abuse professionals from all over the country of Japan gathered in Tokyo at the 15th International Symposium for Child Maltreatment Prevention, hosted by the Japanese Child Maltreatment Prevention Network. CornerHouse was asked to provide keynote addresses regarding the respective roles and duties of mandated reporters and forensic interviewers as well as breakout sessions aimed to deepen learning and skill building of professionals who may themselves be authorities in Japan on these topics.

CornerHouse has been training Japanese professionals since 2005. We have made numerous trips to Japan and have partnered with Japanese agencies in two different train-the-trainer programs, both aimed at disseminating information about best practices in child abuse cases. Once again, we are heartened and humbled by the tremendous commitment of our child abuse colleagues in Japan. We are very honored to be able to assist them in their quest for best practices in child abuse interventions and hope that together we are making a difference in the lives of many children who live so far from us.

of kids they see, makes him stay. And what he likes best about volunteering is that it makes him feel whole! :-)

The toughest part about volunteering at first was to hear about child abuse, but as his volunteering continued and he learned more about CornerHouse, he knew these kids would be safe from here on; thanks to the work of CornerHouse and our court systems. "So my volunteering is going towards a good cause!"

Abdi is currently a full-time student at St. Catherine University pursuing a degree in nursing. In his free time he enjoys nature and walks with his mom around Lake Calhoun.
