MORE INFORMATION

Vulnerable Adult Forensic Interview Training

The Vulnerable Adult Forensic Interview Training teaches the CornerHouse Forensic Interview Protocol™: a credible, reliable, developmentally flexible and trauma-informed forensic interview process. This cutting edge training focuses on interviewing vulnerable adults who allege abuse or witness a violent crime. The updated Vulnerable Adult Training now includes more activities and discussion as well as more video examples from real CornerHouse forensic interviews with vulnerable adults. It will prepare interviewers and investigators who work with vulnerable adults in response to a wide variety of allegations including physical abuse, sexual abuse, neglect, and financial exploitation. As a blended learning program, this course includes 4 hours online work and 3.5 days in-person classroom training. **Click the date below to register!**

"Thank you for taking initiative to jump into the field of Vulnerable Adults, I look forward to working with you more in the future on this expanding field."--Learner
