

# CornerHouse On-site Protocol Update Training

Learn the Updated CornerHouse  
Forensic Interview Protocol™

Building on existing knowledge and experience,  
the course provides updates and revisions for  
professionals trained between 2005-2012

## What will you learn?

- The evolution and elements of the CornerHouse Forensic Interview Protocol as a forensically sound, person-centered, semi-structured approach to conducting a forensic interview
- The guiding principles, stages, purposes, and approaches of the CornerHouse Forensic Interview Protocol as utilized with individuals across a range of developmental abilities
- A process to critically assess your own or others' forensic interview practice through participation in a peer review process

## Structure

- In-person training for 2 days in your location
  - *One-day day option available as a supplemental to other on-site trainings.*
- Class size limited to 30 learners
