

CornerHouse®

# CornerHouse Consulting Services

CornerHouse is a recognized internationally as a leader in forensic services, training, and the operation of a successful Child Advocacy Center

Its experienced staff can consult with individuals and organizations on a range of topics to meet the unique needs of your agency, team, or developing program.

## Types of Services

- Consultation services include both one-on-one coaching and program development.
- Areas of expertise include, but are not limited to:
  - Multidisciplinary team development
  - Establishing and conducting peer review
  - Creating a person-centered environment
  - Establishing a case-review process
  - Establishing a family services program
  - Conducting safe home visits
  - Developing effective adult learning or training programs
  - Board development
  - Improving services to children, adolescents, vulnerable adults, and families in your jurisdiction

## Fees

- CornerHouse charges \$150.00 per hour, including travel time, for consultation services.
- If travel is required, the host site is responsible for the CornerHouse consultant's travel, lodging, and meal expenses.
